BOARD POLICY

1. The Board of Education is committed to the observance of federal and state laws and regulations for Title I schools and encourages participation by parents/guardians in the school system’s Title I programs. The Board of Education is also committed to school and community engagement that supports students in becoming college and career ready. The Board views the education process as a cooperative effort among schools, parents/guardians, and the community.

2. The Board delegates to the Superintendent and District Administration responsibility for developing administrative regulations to put into operation programs, activities, and procedures for parent involvement in accordance with state and federal law. If you have Title I program questions, please contact the District’s Federal and State Program Director:
