POLICY—420.4—EMPLOYEE LEAVE (ESP)

BOARD POLICY

1. It is the policy of the Board of Education to authorize the following leave benefits for Educational Support Professional (ESP) employees:
   1.1. alternative leave;
   1.2. bereavement leave;
   1.3. educational leave;
   1.4. personal leave paid;
   1.5. personal leave non-paid;
   1.6. sick leave; and
   1.7. employee-funded sick bank.

2. The Board authorizes the Superintendent and District Administration to establish administrative regulations consistent with this policy, subject to review and approval by the Board of Education.

ADMINISTRATIVE REGULATION—420.4-1: (Alternative Leave)

Eligible Educational Support Professional (ESP) employees shall receive an alternative leave day each year.

Alternative leave shall be administered according to the following regulations:

1. Each eligible ESP employee shall be allowed one (1) day of alternative leave per year.
2. Employees taking alternative leave shall be deducted 40 percent of their daily rate.
3. Alternative leave is non-accumulative.
4. Employees shall give at least one day’s notice of the intent to take alternative leave.
5. Alternative leave may not be used the day before or after a personal leave day is taken.
ADMINISTRATIVE REGULATION—420.4-2: (Bereavement Leave)

Employees who qualify for paid leave benefits receive released time with pay for bereavement in the case of the death of a family member.

1. Employees qualified for paid leave benefits shall be granted up to eight (8) days absence without pay deduction in the event of the death of a spouse, parent/step-parent, or child, and any other child who is being or was parented by the employee and resides or resided in the home for funeral and related issues.
2. Employees shall be granted up to three (3) days of absence without pay deduction in the event of the death of the employee’s spouse’s parent/step-parents or the employee’s or spouse’s grandchild, brother, sister, grandfather, grandmother, brother-in-law, sister-in-law, son-in-law, daughter-in-law, aunt, uncle, niece, nephew or other person residing in the employee’s home.
3. A maximum of two (2) additional days may be granted if travel time is needed. Travel must be in excess of 350 miles (one way) to qualify for additional days. An immediate supervisor shall request travel verification information from an employee.
4. If the death of an employee’s parent/step-parent results in the loss of the only remaining parent, up to three additional (3) days may be taken to deal with estate issues. The additional days must be taken within one (1) calendar year of the parent’s death.
5. Bereavement Leave is provided only for the death of individuals listed under items 1 and 2. Employees who need to miss work because of the death of an individual not covered in this policy should refer to the other leave provisions of this policy.

ADMINISTRATIVE REGULATION—420.4-3: (Educational Leave)

1. Educational leave for full-time continued study may be granted to employees who have served for three (3) consecutive years and upon recommendation of the employee’s professional development committee (i.e., the Licensed-Local Professional Improvement Committee (LPIC); ESP Support Development Committee).
2. An application for educational leave shall be filed with the Human Resources Department for forwarding to the professional development committee by February 1 of the school year. A detailed outline of studies must be submitted with the
application indicating a direct and identifiable benefit to the district. This outline must show the candidate will be engaged in a full-time training program.

3. The professional development committee will obtain a written evaluation of the applicant from his/her immediate supervisor.

4. The employee's professional development committee shall screen applications and forward recommendations to the Department of Human Resources for approval.

5. Each request for education leave shall be reviewed as an individual matter. Educational leave is based on needs and circumstances of the District and not solely on the merits of an applicant. For this reason, individual requests for educational leave may or may not create a precedent or standard for other requests. As a result, a grant or denial for a leave of absence is not cause for filing a formal or informal grievance.

6. There shall be no remuneration for this leave.

7. Educational leave shall be granted for the ensuing contract year and shall not extend beyond two contract years.

8. Employees on educational leave must submit a progress report to their professional development committee by February 15 of the year for which the leave is granted.
   8.1. The report is to include the date the employee intends to return to full-time status and/or a request for a one-year extension if needed. Following review by the professional development committee, the report will be forwarded to the Human Resources Department.

9. When an educational leave is successfully completed, a copy of the outline of studies and a transcript of credit or equivalent and a report will be submitted to the professional development committee for review.

10. An employee returning from approved educational leave shall be advanced on the salary schedule in the same manner as full-time employees.

11. The employee may arrange with the insurance carrier to continue his/her insurance program. The employee shall pay for the full premium.

12. The granting of educational leave shall not compel the employee to return to the District.

13. This leave is void if the employee does not complete the approved course of study as approved. It is the responsibility of the employee to submit evidence of successful completion of his/her approved program by June 30.

14. A candidate shall be guaranteed a comparable position in the District upon his/her return from an educational leave.

**ADMINISTRATIVE REGULATION—420.4-4:** (Personal Leave – Paid)

Employees are encouraged to avoid absenteeism and to schedule vacations, trips, and other personal activities at times which do not interrupt work schedules.
1. Each eligible employee of the district shall be given three (3) days per year personal leave at no cost to the employee. Employees hired after a contract year has started shall receive personal leave benefits on a prorated basis for the remainder of that year. Each employee may accumulate unused personal leave. An employee may not use more than five (5) accumulated personal leave days in any contract year.

2. Except in unusual circumstances, prior notification must be given to the immediate supervisor at least one (1) day in advance.

3. Personal leaves may be taken the day before or after a school holiday for the following specific reasons:
   3.1. Observance of religious holidays which fall on a regularly scheduled work day.
   3.2. Family weddings of near relatives including children, father, mother, brothers, sisters, grandchildren, grandparents, or the same to one's spouse or any other person who is a member of the same household as the employee.

4. Personal leaves may be taken the day before or after a school holiday for other reasons under the following stipulations:
   4.1. Educational Support Professional (ESP) employees who request a personal leave day on the day before or after a school holiday shall be required to pay the equivalent of 40 percent of the employee’s daily rate and apply for the leave at least five (5) working days in advance, except as follows:
      4.1.1. A limited number of full-pay personal leave days will be granted to ESP employees based upon the following ratio, one personal day for each 100 employees.
      4.1.2. The request must be submitted to the Human Resources Department at least 35 calendar days but not more than 45 calendar days before the holiday.
      4.1.3. On the first working day after the application deadline, numbers will be randomly generated which will identify those employees authorized to take a personal leave. Written notification will be sent to all applicants.
      4.1.4. Employees who have not submitted a request prior to the deadline will not be eligible to receive a full-pay personal leave day.
      4.1.5. Employees shall not be considered for paid personal leave the day before or after a school holiday more than once during any contract year.

5. Personal leave shall not be taken during the first five (5) days and last five (5) days that students are in school except under the following conditions:

1. Employees shall be discouraged from requesting non-paid personal leave during the school year.
2. In the event that an employee has a serious or compelling need for non-paid personal leave, a request may be made in writing to their immediate supervisor and the Department of Human Resources. The request must clearly state the reason that non-paid personal leave is necessary. After due consideration, the request shall either be granted or denied. Notification will be provided to the employee in writing.
3. Non-paid personal leave granted under this policy shall be without pay.
4. Benefit eligible employees shall not be granted more than fifteen (15) days non-paid personal leave in any three-year period.
5. An employee whose request for non-paid personal leave is denied, or who knowingly fails to request non-paid personal leave, and who chooses to absent himself/herself from his/her assignment despite the denial shall be deemed to have abandoned their position and voluntarily resigned his/her employment with the District.
6. This leave does not negate the other official leave provisions of the Board.
7. Non-paid personal leave for benefit eligible employees, less than full-time, shall be prorated according to the percentage of a full-time contract: e.g., a .75 FTE administrative assistant would receive fifteen (15) .75 days.

**ADMINISTRATIVE REGULATION—420.4-6:** (Sick Leave)

1. Sick leave is authorized for benefit eligible Educational Support Professional (ESP) personnel.

2. Employees may use these days to attend to their own health care needs or the health care needs of immediate family members. Employees may only use up to the number of days allotted per year. Employees may not access accumulated leave except for their own health care needs or as allowed in this policy under Critical Family Care.

3. Sick Leave Benefits During Absence
   3.1. If an employee resigns his/her position in the District and then returns, he/she must start over on years of service and sick accumulation.

4. Use of Sick Leave for Critical Family Care
   A maximum of twelve (12) days of sick leave may be used each year to care for a critically ill member of the immediate family or person residing on a permanent basis in the employee’s home.
   4.1. Use of sick leave for critical family illness must be authorized by the Sick Leave Bank Review Committee. The employee must submit his/her request in writing to the Sick Leave Bank Review Committee using the form available in the Human Resources Department.
   4.2. Employees may not apply for critical family care benefits until the employee has used all family sick leave, all vacation leave (if applicable), and a minimum of two (2) personal leave days.
   4.3. In cases of extended critical care, employees may apply for additional days beyond the twelve (12) day allowance.
      4.3.1. If circumstances warrant it, the Sick Leave Bank Review Committee may authorize additional days equal to the number of unused family sick leave days available at the beginning of the critical illness. (A maximum of 3.)

   6.3. Absences due to illness are to be entered by the employee into the District attendance tracking system and reported to the appropriate office or individual as soon as possible.

   6.4. The sick leave allowance during the first year of service for employees whose employment is subsequent to the beginning of the contract year shall be prorated.

   6.5. If the sick leave allowance is exhausted, unused vacation days may be used to avoid loss of salary.

   6.6. If an immediate supervisor suspects that an employee has misused his/her sick leave benefit as established by this policy, the immediate supervisor shall discuss the concern with the employee.

      6.6.1. If it is determined that the employee has misused his/her sick leave the immediate supervisor will forward a written explanation of the abuse to the Director of Human Resources or his/her designee and an investigation shall be conducted.
